

**Amendments to the Specification:**

Please amend the specification as follows:

Please replace paragraph numbers 0047 and 0075 at pages 9 and 17, respectively, with the following rewritten paragraphs:

[0047] The child seat 10 may also include an object holder 300, which, as shown in Fig. 2, has a cavity 310 for receiving and holding an object (not shown) and a sidewall 311 to define the cavity 310. As shown in Fig. 1, the object holder 300 may be attached to the base 200. In particular, the container holder 300 may be mounted under the seating surface of the base 200 ~~from~~ for movement between a retracted, storage position and an extended, in-use position. Fig 1 shows the container ~~holder~~ holder 300 in the retracted position.

[0075] A portion of the sidewall 311 (see Figs. 2 and 11) of the object holders 300, 301 may be accessed when the object holder 300, 301 is retracted in order to provide a handgrip for use in changing position of the holder.
